The Chickens changed to Eagles as Lawrence Poultry Farm tore apart Knotty Pine Cafe in the Rochester Bowling League. Stu Lawrence turned in a 407 for the Farmers with Tony Lopes rolling a 431 for the Cafe. Ed Leary pinned a 452 for Hiller's Garage and two points from Lloyd's Market. Don Gifford's 368 was tops for the losers. Johnny Hayes fired a 360 to spark Sturtevant & Hook to two points in their match with Hartley Saw Mill. Green Hartley knocked over 370 sticks for Hartley's. Herb Snell rolled a 360 for Herb's TV and one point in their set-to with Hartley's Garage. Freddie Swift set the pace for the Garage with a 353 triple.

ART OF SCRIMSHAW DESCRIBED

Lovely jewelry done in scrimshaw and exhibited against a background of red velvet hearts in keeping with February 14 was shown by Mrs. Richard Cardoza of Fairhaven at the Rochester Woman's Club February meeting. Mrs. Cardoza also had other choice items of fine scrimshaw done on whales' teeth and went into detail to describe the art which was developed on the rolling decks of the New Bedford whaling ships by the men, young and old, who used this device to while away the long hours at sea. She noted that the intricate art of carving

and engraving of whales' teeth has almost disappeared and very little of the truly old scrimshaw pieces are available on the market today. The art is being kept alive in this present day by a few contemporary artists who copy in the manner of whalers of old who toiled for hours to create pieces of lasting beauty. Scrimshaw is accepted as one of the most important folk arts of the United States. Mrs. Cardoza, proprietor of Lo Re Li Antiques on Route 6 in Fairhaven, has one of the largest collections of scrimshaw and findings in the country.

Mrs. Everett Hardy presided at the business meeting. A letter was read from Mrs. Elliot Beaton of Wareham telling of a safety program sponsored by the Massachusetts State Federation of Women's Clubs in driver training. The course will be held from February 9 through February 16 and interested members may get in touch with Mrs. Beaton. A letter of thanks was

read from the office of the Veterans' Administration for the gifts sent to patients at the Brockton VA Hospital at Christmas time. A thank you note for flowers received was read from Mrs. Beulah Lowe who was recently a patient in the hospital. A progress report was given by Mrs. Henry B. Smith on the work of a committee appointed by the president to revise the club charter.

The president announced that club members were eligible for a special price for tickets to the flower show to be held in Boston on March 12 through 20. Information may be had by calling Mrs. Greenwood Hartley, Sr., treasurer. The possibility of having an antique show on club premises in April was discussed at length and it was decided to do so this year. Helpful information was provided by Mr. and Mrs. Albert Talbot of Rochester and Mr. Louis St. Aubin and son of Main Street, Acushnet, who were present. Names of work committees will be announced by the president shortly. Date for the show has been set for April 1, 2 and 3 from one to nine P.M. each day.

Refreshments were served from an attractively appointed table by Mmes. Clifton Vaughan, Maurice Gifford and Wesley Davoll.

On February 17, Thursday evening, at 7:30 P.M., there will be an open meeting at the club house to discuss the Town Warrant. Selectmen have been invited and will be present. Hostesses will be the executive board.

FASHION SHOW & ARTS & CRAFTS EXHIBIT

The American Home Group of the Mattapoisett Woman's Club, under the direction of Mrs. Walter M. Clark and Mrs. Albert Norlander, co-chairmen, are going to sponsor a fashion show and arts and crafts exhibit at the March meeting which is titled "Show and Tell".

Members of the club who have done any dressmaking or millinery designing are asked to model their creations in the fashion show.

Arts and crafts such as tray decorating, ceramics knitting, crochet, needlework, or any medium in the arts or crafts, which show your accomplishments, are asked to be loaned for display.

Everyone is urged to participate. Don't feel this is for the professional. The object of "Show and Tell" is to have everyone in the club participate.

Due to the cancellation of the January meeting because of weather conditions, there was no opportunity to sign for these activities. It

AFS PLEA

How can you help to foster international understanding in your own community?

"Walk together, talk together, O Ye peoples of the earth; then and only then shall ye have peace" - this is the motto of the American Field Service. The Old Rochester Regional Chapter would like to receive applications from anyone interested in having a foreign exchange student live with their family for the school year 1966-1967. This is an extremely valuable and rewarding experience, an opportunity of sharing the American way of life with someone from another land. If you are interested, please call Mrs. Arthur McLean, chairman, Homes Committee, Winnatuxett Beach Road, Mattapoisett.

As yet the chapter has not reached its goal to pay the cost of having a student in the community and contributions would be greatly appreciated. Checks should be made payable to

FINE ARTS GROUP VISITS EXHIBITS

Members of the Fine Arts Group of the Mattapoisett Woman's Club enjoyed the hospitality of the New Bedford Woman's Club at the clubhouse in New Bedford on Wednesday afternoon following the visit to the "Navy Combart Art Show" and the Christine Bean exhibit at the Jewish Community Center.

Mrs. A. E. Oldfield, president of the New Bedford Club, welcomed the Mattapoisett members. She was assisted by Mrs. Warren Nute, at the tea urn; Mrs. John Champion, Miss Mildred Chapman, Mrs. Paul Covill and Mrs. Earl Riley. The handsome silver tea service and lavishly set tea table with its attractive floral decor in the dining room of this historic house, once the dwelling of the famed Rose Standish, combined with the gracious welcome, made the occasion a heart warming one. A tour of the club house itself was appreciated.

After the dynamics and diversity of the remarkable Navy Combat Art Show, recommended to all as a privilege to attend at Cherry and Webb's, the quiet and sensitive water colors of Mrs. Bean were in satisfying contrast at the Jewish Community Center, and happily recognized was the scene "Cannon Street, Mattapoisett," which has been a favorite with the public also. Having the artist entertained with the Fine Arts Group by the New Bedford Woman's Club added to the pleasure of the afternoon.

"SOUTH PACIFIC" NEXT WEEK

On the nights of February 24, 25 and 26, when the theater goer relaxes in his seat for the 8:15 curtain of "South Pacific" at Old Rochester Regional High School, he will be witnessing a production which involves the work of music, art and printing departments and the talents of nearly one hundred students, with the supporting guidance of their faculty. A forward step was realized this year by achieving greater school and departmental participation in a project initiated by the music department.

Zavan Mazmanian, music director, with Miss Aurora Zola, stage director, have chosen a cast of 35 students. With the scenery changes necessitated in the 25 scenes, a large stage crew will be in the background for the split second activity. Unseen heroes are those handling lights, curtain and the prompters.

The art department's contribution is visible

in the 14 posters on display in the three town district. These were graded for a class assignment before being released for publicity purposes. The cover of the program was derived through a learning process whereby one class judged the work of another class and finally the outstanding piece was chosen for the honored spot on the front cover. Mr. Anthony Domingo guided the art phase.

An innovation for 1966 is the printing of the program by the school print shop under Mr. Cuthbert Tunstall. This was more feasible this year than in the past since the program will carry no commercial advertisements. Tickets were also the work of this group.

A supporting committee of adults have handled details of the show's production with Mr. and Mrs. Harry Locke as coordinators.

The area has supported an undefeated football team, an outstanding basketball team, and now can be entertained by another activity of a school which is making an increasing contribution to community life.

Tickets for all shows are available in advance at Browne's Pharmacy in Marion, Lloyd's Market in Rochester, and Tinkham's, Romeo's, Frank's, Trading Post and Symphony Shop in Mattapoisett. Students in the show have tickets to sell also.

BOY SCOUTS HOLD WINTER CAMPOUT

Boy Scouts of Troop #31, Rochester, held their first winter campout last weekend, February 4 and 5, at Camp Rayford on Snow's Pond, Rochester. For several of the scouts this was their first camping trip in any kind of weather and will probably be the most memorable one in their scouting lives. The new campers were Robert and Lloyd Vaughan, Gifford Lawrence, Bryan Sherman, Paul Graham and Douglas Hinchcliffe.

The more seasoned campers were Carl Snow, Roger Pinard, Lincoln Brown, Stephen Plaud, Scott Hinchcliffe, Kevin Lowe, Bruce Deakin and Kenneth Daggett, and the patrol leaders, Greenwood Hartley, 3rd and Tyler Brown. Assistant scoutmasters Donald Camara and Harry A. Brown, Jr. camped out with the scouts.

Enjoying Friday night's campfire and hot chocolate were scoutmaster Calvin Daggett, Neighborhood Commissioner Lloyd Gerrish, Troop Committeeman Joseph Chamberlain and Explorer Scout Robert Balzarini.

TO THE CITIZENS OF MATTAPOISETT

In seeking a seat on the Board of Selectmen, I feel that the needs of the outlying districts such as Brandt Island Road, Brandt Beach, Neck Road, Tinkhamtown, Upper North Street, the Pine Island section, Crescent Beach, Point Connett, Aucoot and Peases Point should be more fully represented and understood. These people have problems that often are the same; while others are unrelated and peculiar only to the areas involved.

Having served three years as agent for the Board of Health, also as inspector of animals, I have covered the entire Town more times than most and have gained a wealth of knowledge about the varied and sometimes complex problems that beset the people of Mattapoisett. There are many that will say that I have done a good job.

I attended Public and Private Schools and graduated from the Agricultural Course at the University of Massachusetts and completed a course in Business Law. I own a Stock Farm, on the Neck Road, known as "Copper-Beech", several large tracts of real estate, am a substantial taxpayer and a lifetime resident of the Town.

Many, of those who know me well, will agree that I have time and energy to serve Mattapoisett. I hope, if elected, that I will do as good a job as my father, the late Horace F. Field, who served as Chairman of the Board for several years until he was elected to represent Plymouth County in the State House.

All this simply states that I am asking the voters of Mattapoisett for their endorsement for this high office so that I can manifest my potential and ability to serve the outer reaches as well as the center of our Town with sincerity.
